

Lent Haiku

By Carole E. Gregory

Fast and pray today,
Jesus led by the Spirit,
a stone is not bread.

Commit suicide,
Enemy whispers to Christ,
but no tests for God.

The whole Satan world,
temptation of riches now -
only worship God.

Temptations abound,
homeless men without Christ love –
attack innocents.

First COVID Lent day,
friends becoming fear strangers –
Jesus far away.

Forty days with Christ,
virus like weeds choking us –
wilderness in us.
